## TL-D 58W Snow White 1SL/25

The Snow White is a low-pressure mercury discharge lamp with a tubular 26 mm envelope, available in 18 W, 36 W and 58 W. The extreme high color temperature of the Snow White range creates very cool ambiances, making the lamp especially suitable in very hot and dry climate conditions.

### Warnings and Safety

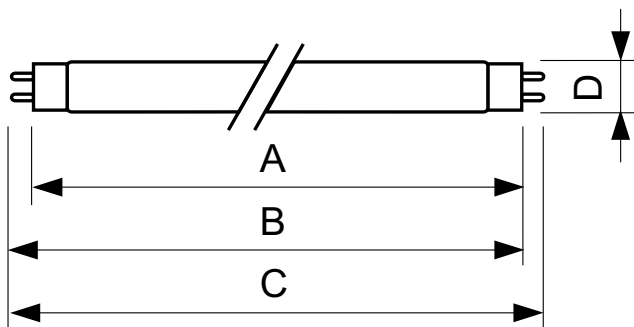

- A lamp breaking is extremely unlikely to have any impact on your health. If a lamp breaks, ventilate the room for 30 minutes and remove the parts, preferably with gloves. Put them in a sealed plastic bag and take it to your local waste facilities for recycling. Do not use a vacuum cleaner.
